- Photo Editing : GIMP, Lightroom
- Basic understanding of AI tools and Applications

Skill

Video editing

Drawing

Social media analysis

Experience

EDITING | 2021 - 2024

Video editing Intern

- Collaborated with clients to design engaging YouTube thumbnails and edit videos, consistently meeting expectations and delivering high-quality content. Clients expressed satisfaction with how the videos and thumbnails effectively represented their brand's vision and message. This experience sharpened my skills in video editing, design, and content creation, ensuring impactful and professional results.

Drawing | 2015 - 2021

Professional artist

- I have earned numerous certificates at the school level and actively participated in various competitions, securing several prizes. With 6 years of experience in drawing, these experiences have helped me develop strong artistic skills, discipline, and a competitive mindset.
